

### Safety and Health Training Providers List

The following people have taken the Workplace Safety and Health Trainer Program and/or the more current Trainers Safety and Health Review.

Manitoba Labour and Immigration, Workplace Safety and Health Division receives many calls from people requesting information about firms who provide safety and health specific training. This list of safety education and training providers is a voluntary list of persons who have taken Workplace Safety and Health specific content training to do with Workplace Safety and Health training materials.

Workplace Safety and Health Division has not evaluated the services provided by these people or organizations. Their presence on this list does not imply an endorsement or acceptance by the Division. The Division assumes no liability for any damages or loss suffered as a result of any inaccuracy, or incompleteness in training provided by the persons or firms listed, or any failure on the part of any listed firm.

Anyone contemplating engaging any person or organization on this list should make inquiries and their own decision with respect to the ability and suitability of anyone on this list to provide services to your organization.
