

ROADMAP FOR SAFE WORK CERTIFIED

1 APPLY TO THE PROGRAM
Complete your SAFE Work Certified Application Form and send to the certifying partner for your industry.

2 PARTICIPATE IN TRAINING
Participate in required training provided by your certifying partner.

3 IMPLEMENT AND ASSESS YOUR SAFETY AND HEALTH MANAGEMENT SYSTEM
Work with your certifying partner to design, implement, and/or assess your safety and health management system, with the goal of meeting the SAFE Work Certified standard.

4 PASS A SAFE WORK CERTIFIED AUDIT
Meet the requirements of a SAFE Work Certified audit completed by a SAFE Work Certified auditor. Your certification is valid for three years provided you meet the annual maintenance requirements.

5 COMPLETE AN ANNUAL MAINTENANCE AUDIT
Complete an annual maintenance audit prior to your certification anniversary date to maintain your certification and to be eligible for the prevention rebate.

6 RECEIVE YOUR REBATE
Qualify for your annual prevention rebate by meeting the SAFE Work Certified standard, and qualifying criteria. The prevention rebate will be 15 per cent of your WCB premium (or up to \$3000 for smaller employers) and will be paid out starting in 2018.
